

West Sussex Technology Enabled Care Service

You have been referred

You have been referred to the NRS Healthcare Technology Enabled Care Service by your health/ social care professional.

The NRS Healthcare Technology Enabled Care Service works in partnership with West Sussex County Council and the NHS.

Your referral is Standard Urgent.

NRS Healthcare will contact you to arrange assessment and installation of your technology enabled care equipment within 2 working days for standard referrals or same/ next day for urgent referrals.

This service will be provided for you free of charge for 6 weeks.

If you need a monitored Technology Enabled Care service, you will have access to a 24 hour alarm receiving service and a 24 hour community responder service.

The NRS Healthcare Technology Enabled Care Services Team working days are Monday to Friday 8am to 6pm.

If you have any questions please contact NRS Healthcare on 01903 948200 or by email at TECS@westsussex.nrs-uk.net
